Objective

To start my career in an organisation that values creativity, innovation, and continuous improvement, where I can apply my skills and knowledge to achieve professional growth and contribute to the company's goals.

Skills

Programming Skills	C, Python, Basics of Java
Frontend	Basics of HTML , Basics of CSS
Database	SQL
Soft Skills	Analytical Thinking, Decision making
Languages	English, Telugu

Internship

MERN Full Stack Intern — ADHOC Network May 2025 – Jul 2025

• Gained hands-on experience in full-stack web application development using MongoDB, React, Node.js, and Express.
• Developed responsive and reusable user interface components in React, following clean coding and performance optimization practices.
• Implemented and integrated RESTful APIs to enable secure and efficient frontend–backend data communication.

Project

Absolutely. For your **BCA final-year project**, an **Alumni Hub using MERN Full Stack** is a strong project because it demonstrates frontend, backend, database, authentication, APIs, and real-world user management.

Uses Tools:

• **MongoDB** – Database
• **Express.js** – Backend web framework
• **React.js** – Frontend user interface
• **Node.js** – Server-side runtime

Certificates

• AI & ML Foundations, Ulearn
• Python Essentials, Cisco NetAcad
• C Programming, Cisco NetAcad
• English Language Proficiency, Pearson MePro

Hobbies

• Listen to Music
• Playing outdoor games
